GENERAL INSTRUCTIONS

Reporting format: Report the requested information on this form, or in a format that is convenient for you, such as a computer printout. Make sure the alternate format includes the required information. Examples of completed forms and Frequently Asked Questions are available on the Energy Information Administration website at: http://www.eia.doe.gov/cbecs/ess

Privacy of account numbers: We identify buildings only by the CBECS building identification number, shown on the label on the first page; we do not need your individual account numbers. If you have privacy concerns for your customers, please mark out or omit your own account numbers from any submissions. However, make sure you write the CBECS building identification number on any printouts you send us.
