

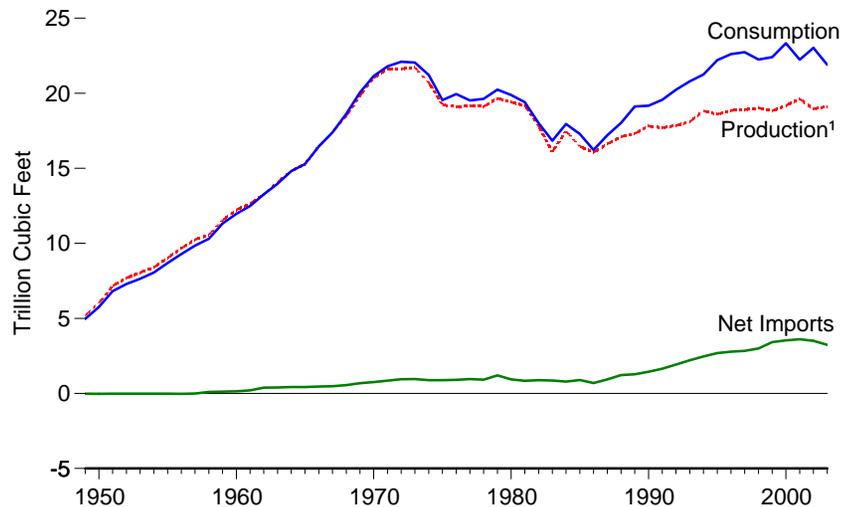

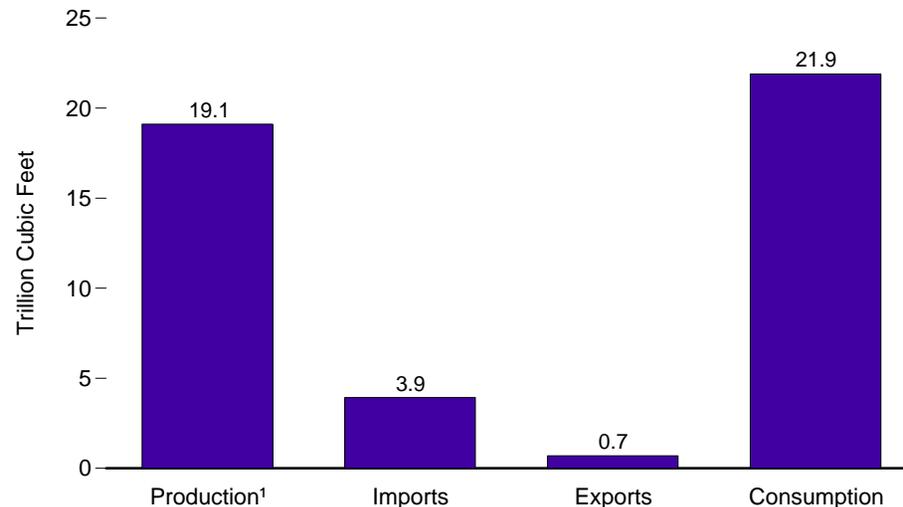

**Figure 6.1 Natural Gas Overview**

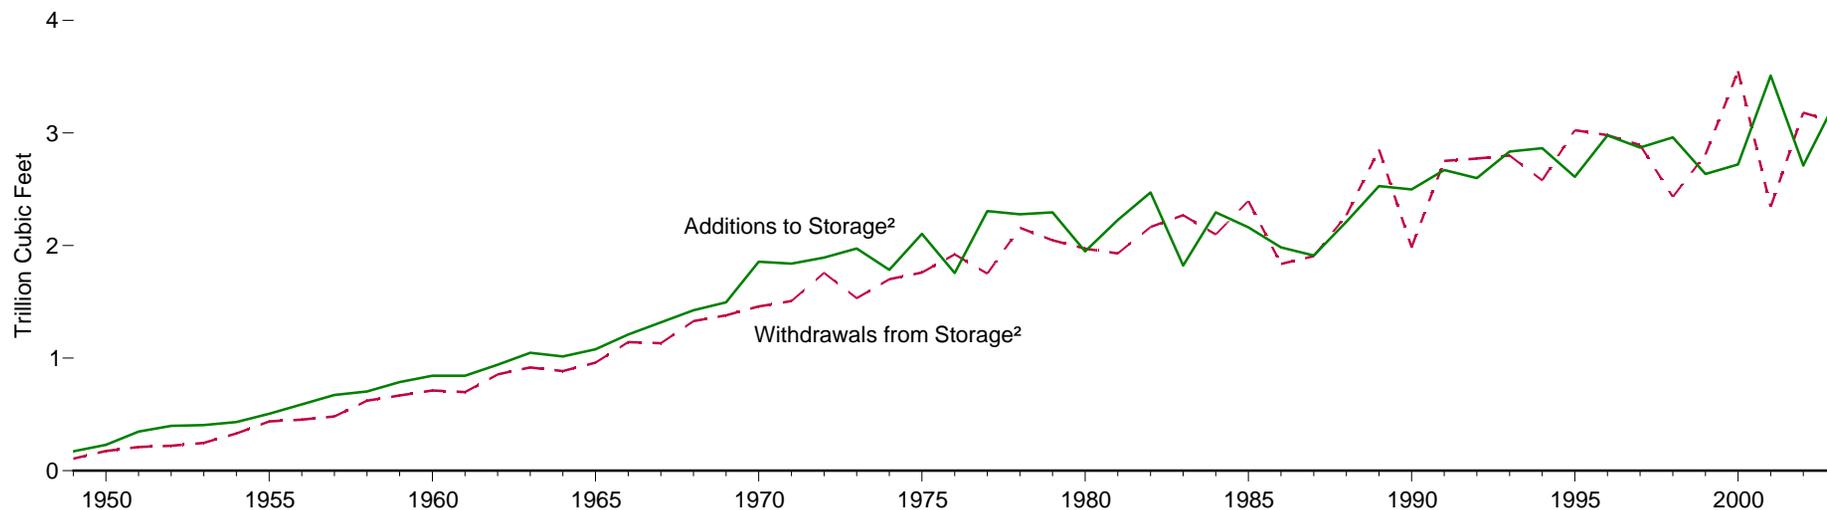

**Overview, 1949-2003**

**Overview, 2003**

**Storage Additions and Withdrawals, 1949-2003**

<sup>1</sup> Dry gas.

<sup>2</sup> For all years, includes underground storage; for 1980-2002, also includes liquefied natural gas stored in above-ground tanks.

Note: Because vertical scales differ, graphs should not be compared.
