

<b>U.S. Department of Energy Energy Information Administration Form EIA-906 (2005)</b>	<b>POWER PLANT REPORT</b>	<b>Form Approved OMB No. 1905-0129 Approval Expires</b>
--	---------------------------	---

**NOTICE:** The timely submission of Form EIA-906 by those required to report is mandatory under Section 13(b) of the Federal Energy Administration Act of 1974 (FEAA) (Public Law 93-275), as amended. Failure to respond may result in a penalty of not more than \$2,750 per day for each civil violation, or a fine of not more than \$5,000 per day for each criminal violation. The government may bring a civil action to prohibit reporting violations, which may result in a temporary restraining order or a preliminary or permanent injunction without bond. In such civil action, the court may also issue mandatory injunctions commanding any person to comply with these reporting requirements. A person is not required to respond to collection of information unless the form displays a valid OMB number. **Data reported in Column i, Stocks at End of Reporting Period, will be kept confidential for six months beyond the calendar year for which data are reported. All other data are not confidential.** Title 18 U.S.C. 1001 makes it a criminal offense for any person knowingly and willingly to make to any Agency or Department of the United States any false, fictitious, or fraudulent statements as to any matter within its jurisdiction.

**RESPONSE DUE DATE:** ~~Please submit within three weeks after the receipt of the form.~~ **Monthly data** are due to the Energy Information Administration (EIA) by the last day of the month following the reporting period. **Annual data** are due to EIA by March 1 following the close of the reporting year.
