

Supplement to the EIA-22M Main Page

Single Sign-On web page link is: <https://signon.eia.doe.gov/ssoserver/login>.

The EIA Internet Data Collection system is optimized for a screen resolution of 1024 x 768 or higher. It is recommended that you use a screen resolution of at least 1024 x 768 to avoid distortions of navigational features.

Welcome to the EIA Single Sign On Login System

- ◆ All Internet Data Collection applications are unavailable the third Thursday of the month from 8:00pm until 10:00pm Eastern Time.
- ◆ Due to recent software upgrades to the electricity surveys you may encounter warnings related to the **"applications digital signature"** or the **"application requiring an earlier version of the Java plug-in"**. If you receive any of these warning please press the **"Run"** button to continue. We regret any inconvenience this may cause.
- ◆ EIA is no longer using the **Jinitiator 1.3.1.28** add-on software to access the CNEAF Electric Power Surveys but instead is using the **Java 1.6_05** Plug-in. After logging in and selecting a survey, you will be redirected to the SUN download site which will install the software automatically after which the selected survey will open. If you encounter any difficulties with the installation, please contact the CNEAF Help Center at the number below. Thank you.
- ◆ The estimated opening dates for electric power surveys are as follows. Respondents will be notified at open.
 - ◇ **EIA-860**, Annual Electric Generator Report 2008, estimated opening May 1; due date TBD
 - ◇ **EIA-861**, Annual Electric Power Industry Report 2008, is open and due April 30, 2009
 - ◇ **EIA-923**, Power Plant Operations report, Annual and Supplemental, opened on March 31, 2009; due May 15, 2009.

Entity: 1382538 - Respondent Entity (Business) Name

Page 1

Supplement to the EIA-22M Monthly Biodiesel Production Survey. Collecting Annual Data for 2006, 2007, and 2008

This report is mandatory under the Federal Energy Administration Act of 1974 (Public Law 93-275). Failure to comply may result in criminal fines, civil penalties and other sanctions as provided by law. For further information concerning sanctions and data protections see the sanction provision and the provisions on sanctions and the provision concerning the confidentiality of information in the Instructions. Title 18 USC 1001 makes it a criminal offense for any person knowingly and willingly to make to any Agency or Department of the United States any false, fictitious, or fraudulent statements as to any matter within its jurisdiction.

Please read the instructions provided before completing this form.

GENERAL REPORTING INSTRUCTIONS: Form EIA-22S shall be submitted by all entities producing biodiesel that meets ASTM D 6751-07B specifications and is used for commercial purposes. A company should submit separate forms for each of its plants.

Form Navigation (Cont.)

The screenshot shows the 'Internet Data Collection System' interface. At the top right, it says 'Exit Survey' and 'User: TEST005 | Role: IDC_WEBUSER |'. Below this is a navigation bar with buttons: 'Select a Survey', 'Select Entity / Reference Period', 'Survey Instructions', 'Print as PDF or View', 'Save', 'Check Data', and 'Submit'. Below the navigation bar are four tabs: '1. Respondent Identification', '2. Plant Information and Operating Status', '3. Production, Inputs, Stocks and Sales', and '4. Remarks'. The main content area shows a form for 'EIA Monthly Biodiesel Production Survey (OMB Number: null) Reference Period: 2005-0'. Below the form, there are three buttons: 'Save / Go Back', 'Clear changes', and 'Save / Continue'. Callout boxes provide instructions for each button and tab.
