

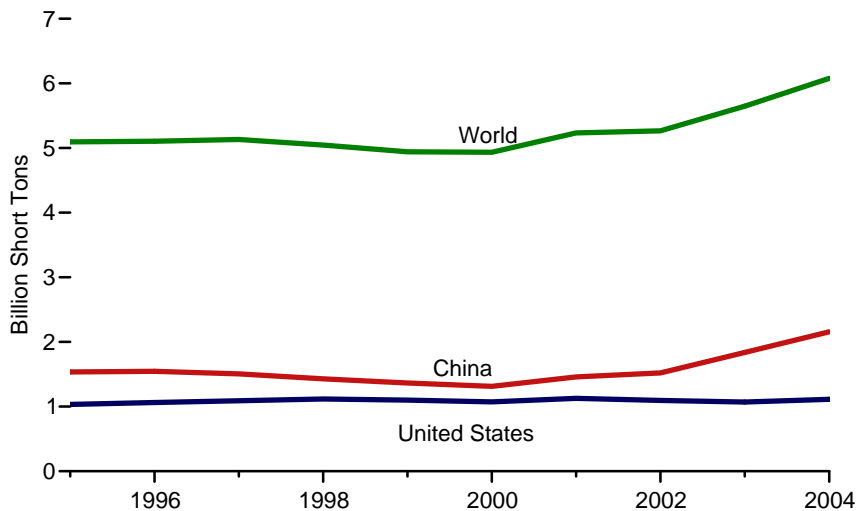

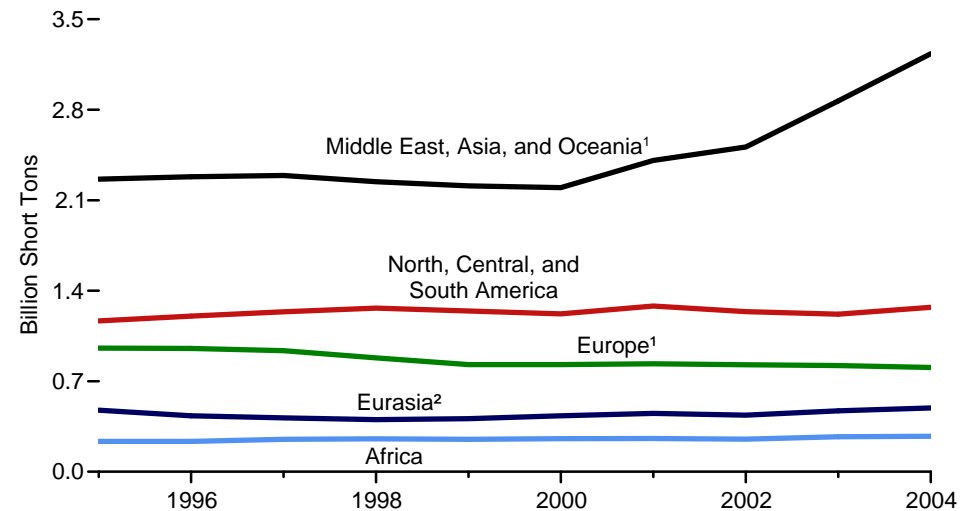

Figure 11.14 World Coal Production

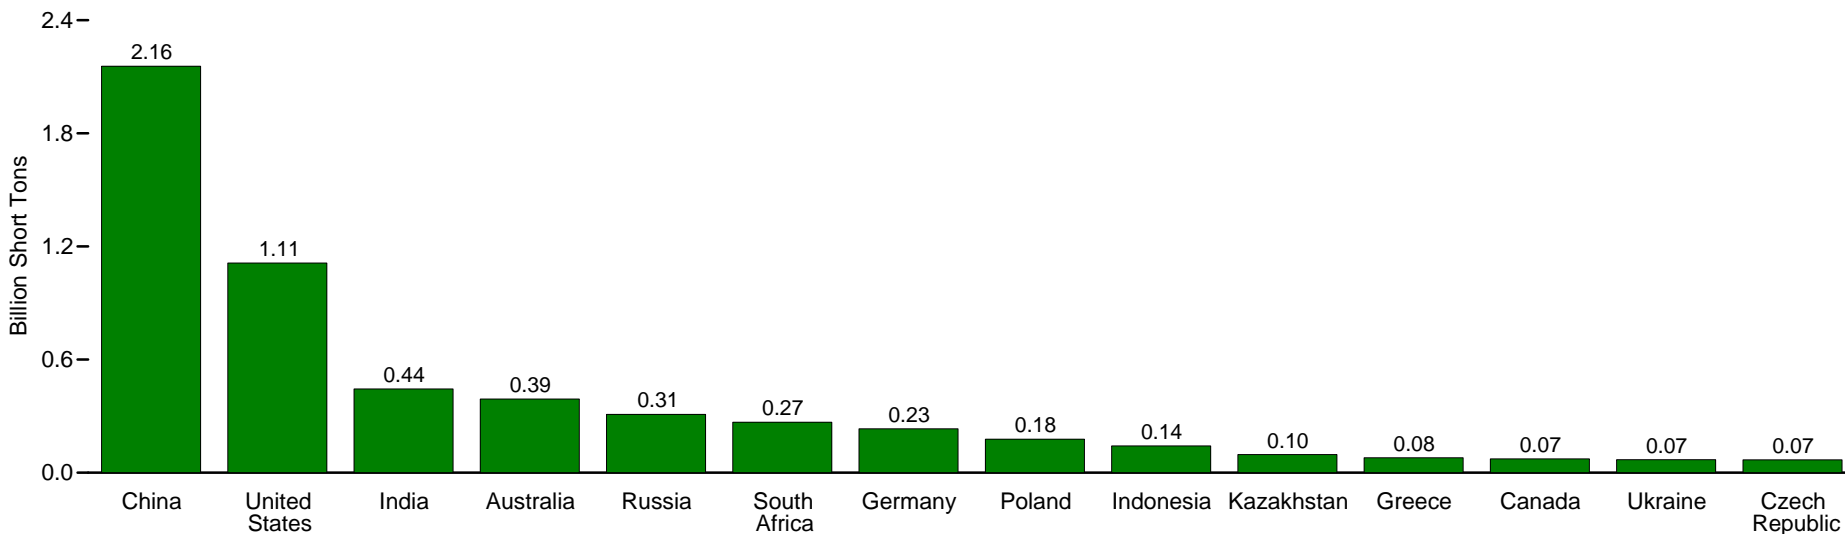

World and Top Producing Countries, 1995-2004

World Areas, 1995-2004

Top Producing Countries, 2004

¹ Excludes countries that were part of the former U.S.S.R. See "U.S.S.R." in Glossary.

² Includes only countries that were part of the former U.S.S.R. See "U.S.S.R." in Glossary.

Note: Because vertical scales differ, graphs should not be compared.
