

## Analysis of Corporate Average Fuel Economy (CAFÉ) Standards for Light Trucks and Increased Alternative Fuel Use

**Table 3. Comparison of AEO2002 Reference Case Vehicle Horsepower and Weight to the AEO2002 Revised Reference Case.**

|             | AEO2002 Reference Case |                 | AEO2002 Revised Reference Case |                 |
|-------------|------------------------|-----------------|--------------------------------|-----------------|
|             | Horsepower             | Weight (pounds) | Horsepower                     | Weight (pounds) |
| <b>2000</b> |                        |                 |                                |                 |
| Car         | 165                    | 3105            | 165                            | 3105            |
| Light truck | 193                    | 4257            | 193                            | 4257            |
| <b>2005</b> |                        |                 |                                |                 |
| Car         | 191                    | 3230            | 188                            | 3191            |
| Light truck | 218                    | 4410            | 217                            | 4380            |
| <b>2010</b> |                        |                 |                                |                 |
| Car         | 206                    | 3306            | 202                            | 3257            |
| Light truck | 240                    | 4618            | 236                            | 4554            |
| <b>2015</b> |                        |                 |                                |                 |
| Car         | 217                    | 3353            | 213                            | 3309            |
| Light truck | 249                    | 4733            | 246                            | 4684            |
| <b>2020</b> |                        |                 |                                |                 |
| Car         | 223                    | 3390            | 220                            | 3359            |
| Light truck | 253                    | 4812            | 252                            | 4784            |
