-----------------------	--------------	----------------------	----------------------	----------------------	----------------------	------------	----------------------	----------------------	----------------------	----------------------	-------------	----------------------	----------------------	----------------------	----------------------	---	--------------------------

Reporting of preliminary or estimated data is allowed, if necessary, to meet the due date.

	Producing Regions (Million cubic feet)	Consuming Regions East (Million cubic feet)	Consuming Region West (Million cubic feet)
<p>Working Gas <i>(Volume of gas in the reservoir that is in addition to the base gas).</i></p>			

Comments: (Please explain in this section any unusual data reports. For example, explain any change in working gas as a result of changes in the number or capacity of facilities for which your company is reporting or any reclassification of base gas and working gas relative to the prior week.) *To enter a new line of comments, hold down the alt key and hit the enter key.*
