<sup>--</sup> = No consumption, including cases where adjustments were made to remove consumption not covered in expenditure calculations. See explanation of adjustments in Section 7 of the Price and Expenditure Technical Notes. Where shown, (s) = Expenditure value less than 0.05.

Note: Totals may not equal sum of components due to independent rounding. Data Source: U.S. Energy Information Administration, State Energy Data System. See Technical Notes. http://www.eia.gov/state/seds/
